

## **Simi Valley Operation A.G. Machining of NC, Inc.**

March 23, 2007

Lenoir County and the City of Kinston are pleased to announce that A.G. Machining of NC, Inc. headquartered in Simi Valley California, will be expanding in Kinston, NC. They will be moving into the old Buehler building on Hwy 70 East and will begin operations in the next couple of months. A.G. machining of NC, Inc. specializes in metal fabrication, powder coating, machinery and precision prototype operation. A.G. Machining will be assisting Chatsworth Products, Inc. of New Bern, NC in developing a new product for data.com. A.G. Machining of NC, Inc. will employ twenty-nine (29) employees over the next three (3) years with an average wage of \$547/wk. Of the twenty-nine (29) ten (10) new families will be moving to our community.

A.G. Machining of NC, Inc. will have a capital investment of \$2,850,000. We are pleased to have A.G. Machining of NC, Inc. in Lenoir County and a corporate partner.

Thanks to the NC Department of Commerce, the Governor's office, the One NC Fund and all our other partners who helped to make this happen.
